## PLANT *NATIVE* TREES & SHRUBS FOR WILD TROUT ALONG FISHING CREEK

# OCTOBER 12, 2019 9 AM – NOON

Donegal Trout Unlimited needs your help to plant native trees and shrubs along a recent wildlife habitat and stream restoration project in the Fishing Creek Watershed on Saturday, October 12, 2019.

Volunteers will:

- Help plant container grown trees and shrubs
- Shelter and stake trees along Fishing Creek

**Please sign-up:** Email Greg Wilson, Donegal Trout Unlimited Conservation Committee Chair via [gregsfish@gmail.com](mailto:gregsfish@gmail.com) to confirm you can join us!

Questions: Call or text **Greg Wilson at 717-587-8351**

**Stay and join us for a free lunch.  
Hot dogs & light refreshments.**

# FISHING CREEK WATERSHED

**Donegal Trout Unlimited**  
*invites you to*  
**Plant Native for  
Wild Trout**
