Dear Friend,

As a friend or member of Donegal Trout Unlimited, thank you for your support. As a result of COVID 19 and community precautions, we have rescheduled our annual Donegal Trout Unlimited Fundraiser to **Sunday, June 7, 2020** at the DoubleTree by Hilton, 2400 Willow Street Pike, Lancaster, PA. The theme of this year's Fundraiser is *improving Lancaster County streams for our community one stream at a time.*

There are two levels of tickets for the evening:

General Admission@ \$55 per person

The Gold Level @\$65 per person.

(The Gold Level includes wine at your table.)

The event will feature auctions, raffles, games and opportunities throughout the evening to learn about our important mission.

Annually, we work to restore the health of local streams and creeks through restoration and watershed improvement projects, conservation education and outreach programs like Trout in the Classroom, our Veterans Service Partnership and Women's Initiative. Your support for and attendance at this Dinner and Fundraiser event is vital for continuing these projects and others.

We encourage you to not only attend but, if possible, invite a group of your friends to join you and reserve a table for 8. It is a fun night to share with others.

Please use the enclosed ticket registration form and return to Joy McMaster, DTU Treasurer, with the number of persons you have attending and your check made payable to Donegal Trout Unlimited. This evening will only be successful if we all join together to raise support for our mission. Thank you for your support.

Respectfully yours,

Rick Purnell
