Donegal Chapter of Trout Unlimited Members,

I hope this letter finds each of you getting ready for the spring season. Please mark your calendars for a special general membership meeting on **Wednesday, April 20, 2022 at the Farm and Home Center beginning at 7:00 pm** for a vote on the NEW amendments to our Chapter's bylaws. The vote will be the first order of business after the start of the regularly scheduled membership meeting. The proposed bylaw amendments can be found on our website for your reference. Printed copies will also be available at the February and March meetings. Should you have any questions prior to the vote, please contact the bylaws chairman Barry Witmer at 717-380-0281 or to cbwitmer29@gmail.com.

The proposed bylaws changes have been approved by the Chapter's Board of Directors and are now being recommended to the general membership for adoption. Thanks to all who participated in the revision of the document. These bylaws will serve our Chapter as a guideline of governance into the future.

We hope to see you at an upcoming meeting or a Chapter event listed below. Also, save the date for our Annual Picnic at Millport Conservancy on **Wednesday, August 31, 2022**. Details will be provided via the Mayflyer and posted on the website.

Sincerely,

Garry Longenecker, President
